INSURANCE PRODUCTS AND RELATED PRACTICES

Territory and Plan of Operations

The Company is licensed as a prepaid dental plan with the DIFP per Chapter 354 RSMo (Health Service Corporations). At December 31, 2007, the Company was licensed only in Missouri. The Company has no applications pending in any other states.

The Company markets its products through local insurance agencies and independent brokers. The Company provides brochures explaining the products and funding alternatives available to prospective enrollees. Marketing efforts are coordinated through the St. Louis Regional Group Office of Guardian Life Insurance Company. Broker commissions are paid monthly.

The Company offered a Dental HMO Plan and a Dental PPO Plan during the examination period. These products are described below:

Dental HMO Plan - This product allows groups to select benefit levels and co-payment amounts related to covered services. Coverage provided under the Dental HMO Plan includes diagnostic and preventative services, basic and restorative services, major services and orthodontic services. Subscribers are required to select a general dentist from the Company's provider listing. The selected dentist then arranges for all dental care needs. The Company pays monthly capitation fees, based on the number of subscribers, to participating dentists. The Dental HMO product is typically offered in conjunction with the Company's PPO products, Guardian's PPO products, or other Guardian products (life, disability, etc.).

The Company recently introduced a new series of Dental HMO plans under the brand name of Managed DentalGuard. These plans offer improved prepaid benefits to companies and are consistent with Guardian's prepaid plans in other markets, giving multi-state groups the opportunity to offer the same prepaid benefit to all employees.

Dental PPO Plan - This product provides coverage similar to the Dental HMO Plan. Subscriber co-payments are lower for service provided by a dentist in the PPO network. Network dentists agree to receive lower reimbursement rates in order to gain access to First Commonwealth enrollees.

Indemnity Plan - Although no longer marketed, the Company reported a small number of members remaining in its Indemnity Plan. The Indemnity Plan provides coverage for dental services that are medically necessary. These services include diagnostic and preventative services, basic and major dental services and orthodontic services. First Commonwealth pays usual, customary and reasonable fees after subscribers satisfy a deductible.

Provider Contracts

Section 354.715 RSMo (Providers of dental care) requires a written agreement between a prepaid dental plan and participating dental health care service providers. The Company has complied with this requirement by maintaining written agreements with its participating providers.

Enrollee Contracts

Section 354.712 RSMo (Contract or contract certificate to be issued to enrollees) requires a prepaid dental plan to issue a contract or contract certificate outlining coverage and benefits to each enrollee. Individual subscribers receive contracts; subscribers under a group contract receive contract certificates. The Company has complied with this requirement by providing contracts or contract certificates to its enrollees.

Rates

The Company's rate structure is not subject to approval by the Missouri Department of Insurance. The Company uses internal analysis to set premium rates and provider capitation rates.

Grievance Procedure and Quality Assurance

Section 354.715 RSMo (Providers of dental care) requires a prepaid dental plan to establish procedures for reviewing and mediating enrollees' complaints regarding the quality of care received from a participating dentist. Further, the statute stipulates that enrollees and participating dentists be made aware of the prepaid dental plan's review mechanism and of the process for submitting a complaint for review. The Company has complied with these requirements by establishing a grievance procedure and by including the complaint submission process in the subscriber agreement.

REINSURANCE

The Company does not assume or cede any reinsurance.

ACCOUNTS AND RECORDS

An independent accounting firm audits the Company annually. The Company's 2007 financial statements were audited by the CPA firm, PricewaterhouseCoopers LLC. Their workpapers were used in the course of this examination as deemed appropriate.
